

MI PATRÍA

Helping to provide dignity and peace of mind during your time of need.

Mi Patria is a worldwide benefit designed to help your family when you or an eligible dependent suffers a loss of life due to a covered accident or illness while working away from their permanent country of residence.

The service provides transportation of an eligible member's remains to his/her primary country of residence and repatriation of foreign nationals to their home countries.

Reimbursements for out-of-pocket expenses will not be accepted.

BENEFITS INCLUDE:

- Up to \$20,000 in repatriation expenses and that the repatriation covers deaths to accident or sickness
- Expenses for preparations; embalming or cremation
- Transport casket
- Transportation of remains to place of residence or place of burial
